## 2007-2008

Annual Report

General Information

Cass City Middle School is a configuration of grades 5 through 8. Cass City Middle School is committed to meeting the needs of early adolescents and preparing students for success as life long learners in a diverse society. A letter grade of $\mathbf{A}$ was given to Cass City Middle School on the state report card. Adequate Yearly Progress was met for the 2007 - 2008 school year.

Based on the fall student count, total enrollment for the 2007-08 school year was 412 students compared to 462 students in the fall of 2006-2007. This year there were 93 ( $5^{\text {th }}$ graders), 93 ( $6^{\text {th }}$ graders), $109\left(7^{\text {th }}\right.$ graders) and 117 ( $8^{\text {th }}$ graders). The average class size for $5^{\text {th }}$ grade was 23.3 students, $6^{\text {th }}$ grade was 23.3 students, $7^{\text {th }}$ grade was 27.3 students and $8^{\text {th }}$ grade was 29.3 students. The winter student count showed an increase of three students for a total of 415 students total in grades $5-8$. (96) $5^{\text {th }}$ graders, (92) $6^{\text {th }}$ graders, (110) $7^{\text {th }}$ graders and (117) $8^{\text {th }}$ graders. There is an approximate rate of $52 \%$ boys to $48 \%$ girls during this school year.

Retentions for the 2007 - 2008 school year are as follows: $5^{\text {th }}$ grade (1), 6th grade (0), 7th grade
 completion of Study Island over the summer and passing the post test under the guidance of the principal will be accepted for promotion and will change these figures.

There were 103 Title I students being serviced by 4 para professionals, making up approximately $25 \%$ of our student population. Services were provided for (23) $5^{\text {th }}$ graders, (26) $6^{\text {th }}$ graders, (30) $7^{\text {th }}$ graders and (24) $8^{\text {th }}$ graders. Title I staff works with these students in all core areas (math, science, social studies and language arts) and monitors student's academic as well as emotional growth. An after- school homework support is staffed by Title I Para professionals. Assistance, in the classroom as well as out-ofthe classroom, is provided on a daily basis.

CCMS's free and/or reduced lunch was approximately $48 \%$ at the end of the 2007-08 school year.

## Core Curriculum

The state standards and benchmarks have been implemented in all grades, both in the core curriculum as well as in the exploratory curriculum. Grade Level Content Expectation (GLCE's), required by the State Board of Education, have been integrated in the areas of math and language arts. New science and social studies GLCE's will be implemented for the 2008-2009 school year.

The curriculum alignment process begins with alignment (standards-based instruction, MEAP Testing Alignment, and Instructional Consistency), instructional goals (school improvement goals, Ed YES! reporting, improving content and instruction), curriculum mapping or posters (instructional consistency, instructional monitoring, curriculum integration, content alignment of strands K-12, and parent communication), essential questions (instructional consistency, instructional strategies, and instructional alignment to assessment), and common assessments (instructional consistency, instructional monitoring, testing predictors, AYP indicator, and tier measurement/indictor). Core curriculum includes math, science, social studies and language arts. Exploratory curriculum includes physical education/health, band and music/performing arts.

School Improvement

## Goals for the 2007-2008 school year were:

1. Successfully Implement MiBLSi program in all grades.
2. Score above the state average in math, reading, writing, science and social studies. A target score of $80 \%$ or better will be attained in each area.
3. Make Adequate Yearly Progress (AYP) in all sub-groups.
4. Successfully implement assessment and intervention package in all grades.
5. Develop a K - 12 writing curriculum. (Step Up To Writing)

Staff at Cass City Middle School has been very active in professional development this year. Examples of workshops and training that staff participated in were: Student Achievement Model (math and writing), MiBLSi (reading and positive behavioral support), complete mapping of math curriculum, Mapping of new science and social studies curriculum, Compass Learning, Using and Understanding Data, Special Education (new IEP's) .

## Professional qualifications of staff:

All staff (100\%) at Cass City Middle School is highly qualified under the federal legislation of No Child Left Behind. In the 2007-08 school year, CCMS had a total of 22 certified teachers working in our building: (3) special education teachers and nineteen (19) regular education teachers. One half time social worker was available to handle student needs. There were two (2) staff members under probationary contracts for this school year.

## Parent Involvement

The Cass City Public School District supports parental involvement as both a valuable resource and as an important part in the learning process of our students. We consider parents/guardians essential partners in the educational and psycho-social development of their children.

## CASS CITY PUBLIC SCHOOL STAFF, WILL:

- Provide a safe, positive learning environment.
- Show that we care about all students and respect the uniqueness of all students and their families.
- Deliver a high quality curriculum through motivational and interesting learning experiences.
- Address each student's needs and encourage individual talents.
- Value and respect the importance of parents' role in the education of their children.
- Communicate academic progress and attendance concerns through report cards, notes, phone calls, newsletters and email.
- Establish flexible scheduling and create a warm atmosphere for parents/guardians during classroom visits and participation in the activities.
- Help parents to support learning and positive behavior at home.

## PARENTS OR GUARIANS ARE REQUESTED TO:

- Encourage their children's development and progress in school.
- Show the value of learning self-control and hard work.
- Contribute to good home/school communication.
