**Due to state budget cuts, the Great Start Family Enrichment Center
requires additional funding to continue serving our community!**

Since opening in April 2023, we have served
almost 3500 families & over 6500 children.

We have distributed

- more than 3000 packs of diapers
- almost 5000 meal kits
- over 1000 birthday kits
- 1000+ referrals to local agencies
