

Your Name, Their Future!

Cass City PROMISE

We have received a grant from the Community Economic Development Association of Michigan (CEDAM) to honor and recognize those who partner and support the PROMISE mission by installing a donor recognition wall at the Cass City High School!

Donate now to be included on the Donor Recognition Wall

The Cass City PROMISE was started in 2020 to provide all K-12 students in Cass City Public Schools with a savings account (Red Hawk NEST EGG) for continued learning after high school, the opportunity to grow that account, and learning that instills the value of planning and saving for their future. **You, too, can be a part of this PROMISE**—while donations of any amount are appreciated, a minimum (cumulative) donation of \$100 is required to get your name on the wall! **Your Name, Their Future!**
