David Barnes

Building Maintenance
989-912-1837

Randy Schuette

Grounds Supervisor
989-872-2200 x3512

I. Curriculum

- a. Achieve AYP at all buildings and district level.
- b. Have Common Core Standards fully implemented into daily instruction as well as preparing our students for the online version of the state and/or national assessment.

II. Strategic Plan

- a. Board will begin the process of developing and implementing a (3) year strategic plan to be completed by the end of the summer of 2013.

III. Students Enrollment

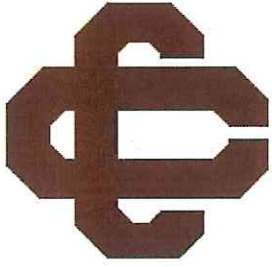

- a. Superintendent and Board of Education will closely monitor student enrollment and continue the use of Facebook and other social media as a means of communicating the vision of Cass City Public Schools. All stakeholders will cultivate positive relationships with local community as well as local, county and state media as a strategy to increase or at least maintain student enrollment.

IV. Finances

- a. Maintain a 7% fund balance while striving to achieve 10%. Superintendent and CFO will be fiscal in all areas of spending. Superintendent and CFO will work closely together to ensure that all pertinent financial information is presented at monthly board meetings. A balanced budget should be presented for adoption at the June 2013 board meeting.

MISSION STATEMENT

All School personnel will accept the responsibility to provide the opportunity for all students to be productive in a global society.

V. **Visibility**

- a. All school board members will volunteer at least part of one day in one of our schools. The board member will contact the building principal to schedule a visit.

VI. **Superintendent Communication**

- a. The superintendent will develop positive relationships with board members as well as community members. Superintendent will be active in the community as well as inform the board of any upcoming issues that they may need to address. Open and honest conversations will continue to be the goal at all times.

VII. **Professional Development**

- a. Continuous learning by all board members. Each board member will strive to attend (1) one professional development session in an area they feel improvement is needed.

MISSION STATEMENT

All School personnel will accept the responsibility to provide the opportunity for all students to be productive in a global society.
