5406 Title I Funds

The District will use Title I funds to supplement, not supplant, state and local funds that would, in the absence of Title I funds, be spent on Title I programs. The District will ensure that Title I funds will not be used to provide services that otherwise take the place of public education services that are to be provided to all students.

The District will maintain records of Title I-funded professional development. The Superintendent or designee will ensure that professional development is aligned with the needs of the District's Title I programs. Title I-funded professional development will not duplicate that which is funded from other sources and which, in the absence of Title I funds, would be provided to all staff.
