

Cass City Elementary

Local Field Trip Permission Form

During the school year, teachers take their students on local field trips. Most of these are within a twenty-mile radius of Cass City. The classroom teacher on these trips supervises the students.

Notice of local field trips will be sent home with your child. Additional permission will be requested for any field trips beyond this area.

Please complete the information below, giving your child permission to participate in these school approved field trips.

_____ Has my permission to go on all school

Child's Name
