Colleges, scholarship programs, and other institutions are looking for students like you.

Here's how it works: Once you say we are allowed to do so, we will make some of the information you provide to Parchment available to a variety of colleges and programs. Then the colleges and programs send you information about themselves, so you can see if they fit your college plans. Colleges cannot find you at Parchment unless you choose to opt-in.

Yes, share the information I provide with those colleges looking to discover me at Parchment.

No, I do not wish to share my information or transcripts with colleges that may be interested in me.

Select 'No'. Only colleges you select will receive your transcript.

I have my parents' or legal guardians' permission to create this Parchment account

I agree to the Parchment [terms of use](#) and [service agreement](#)

FERPA Privacy Rights

In addition to transcripts, your school may send a Secondary School Report or Letter of Recommendation. Some receiving schools will give more weight to recommendations and completed SSR forms where the student has agreed the documents will be private and the student will not view them. If you wish to waive your right to review those documents, you may do so below.

Under the 1974 Family Educational Rights and Privacy Act, an applicant who is admitted and enrolls has the right to review his/her educational files including recommendations. To obtain confidential recommendations for the purposes of admission and academic counseling only, it is possible to waive one's right of access. If you wish to voluntarily waive your right of access to this document, select the checkbox below, constituting your electronic signature. If you have questions about this waiver, please discuss its implications with your counselor.

I recognize the confidential nature of the Secondary School Report and other recommendations and

- I do waive my right to access
 I do not waive my right to access

If you "waive your right to access", you're agreeing that you don't need to review every document sent through Parchment (recommended).
